About the Event

The Inclusive Employer Excellence Awards (IEEA) was first hosted in 2017. It has become an annual event that recognizes and celebrates Abbotsford and Mission employers going above and beyond to create inclusive workplaces for people of all abilities.

This includes actively employing, providing work experience placements, community advocacy, and other activities related to including persons with a diverse ability in the workplace.

The event is organized, planned, and presented by five community partners working in Abbotsford and Mission: Archway Community Services, Bethesda, Communitas Supportive Care Society, Mission Association for Community Living and WorkBC.

These community partners support people with diverse abilities, in unique but aligned ways, to find jobs that match their skills and interests. They share a vision of supporting local employers to access this relatively untapped talent pool while also ensuring that people who have diverse abilities are supported into meaningful, competitive jobs in their community.

We acknowledge that we gather on the traditional and unceded territory of the Stō:ló people. Stō:ló territory extends from the mouth of the Fraser River to Boston Bar. Locally, this includes the Matsqui First Nation and Sumas First Nation. We give them thanks for sharing their land and resources with us.
