We are People Helping People

Registered in 1969, Archway Community Services is a non-profit, multi-service, multi-funded community based social service agency.

Each year thousands come through our doors looking for help through one or more of our 90+ programs. We help people of all ages from newborn babies to seniors. We help people in crisis from those escaping violence to people struggling with addictions. We help people feel like they belong from newcomers in Canada to people with diverse disabilities.

Rod Santiago
Archway Community Services
Central Executive Officer

"It never ceases to amaze me at the power, courage and generosity of this community. The Community Builder' Awards is our opportunity to honour and thank those for the thoughtfulness and kindness they share with our neighbours".

We encourage you to join us as a sponsor and be a part of recognizing these everyday heroes.

Pamela Chatry
Archway Community Services
Chair, Community Builders'
Award Committee

"As a proud board member with this incredible organization, I am honoured to serve as Chair of the Community Builder' Awards for the third year. Thank you to all nominees for your commitment to making our community a better place for all."

'Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has'

- Margaret Mead

About the Event

The Community Builders' Awards was created in 2006 by the Archway Community Services' Board of Directors to honor and acknowledge individuals who have made a significant contribution to not only Archway but to the community at large. Since then, this premier event has grown to include individuals, organizations and for-profit companies. Notable past recipients include Dr. Andy Sidhu, Home Depot, Dr. Elizabeth Watts and the late Dave Holmberg.
