

2026 ARCHWAY COMMUNITY BUILDERS' AWARDS

We are People Helping People

Registered in 1969, Archway Community Services is a non-profit, multi-service, multi-funded community based social service agency.

Each year thousands come through our doors looking for help through one or more of our 90+ programs. We help people of all ages from newborn babies to seniors. We help people in crisis from those escaping violence to people struggling with addictions. We help people feel like they belong from newcomers in Canada to people with diverse disabilities.

"In its 20-year history, the Community Builder's Awards have recognized and honoured so many inspiring individuals in the Abbotsford community who have dedicated their time and efforts to not only Archway Community Services, but also to making our world a better place. The 2026 awards evening will, once again, celebrate some amazing nominees and reflect back at the last 20 years of community builders."

Join us for this special anniversary evening that is guaranteed to inspire and lift your spirits."

"It never ceases to amaze me at the power, courage and generosity of this community. The Community Builder' Awards is our opportunity to honour and thank those for the thoughtfulness and kindness they share with our neighbours."

We encourage you to join us a sponsor and be a part of recognizing these everyday heroes."

About the Event

The Community Builders' Awards was created in 2006 by our Board of Directors to honor and acknowledge individuals who have made a significant contribution to not only Archway but to the community at large. Since then, this celebrated and heart-warming event has grown to include individuals, organizations and for-profit companies.

As a sponsor of the Archway Community Builders' Awards, you will align your brand with excellence, compassion, and community engagement. Your support not only demonstrates your commitment to making a difference but also provides invaluable visibility to a diverse audience of passionate community leaders, influencers, and change-makers.

Proceeds from the event will provide essential program funding through our Community Action Fund. This ensures we can close funding gaps in many vital programs for youth, families, seniors and newcomers. Together, we can create a stronger community for everyone!
